Re: Scholarship Request from MSC

Dear Marilyn:

I have your letter of October 17, 1983 regarding MSC's request that the Hispanic Bar Association of N.J. make scholarship funds available to disadvantaged minority Pre-Law or paralegal students at M.S.C. Your request will be presented at the next Board of Trustee's meeting for discussion.

In the past, the HBA has received applications for scholarship awards in the Spring and early Summer. The Scholarship Committee reviews the applications during the Summer, and makes final decisions in late August. The awards are communicated then to the winners, and presented at our annual Scholarship Dinner Dance in November.

I will let you know what the Board's decision is on your request.

Sincerely,

Zulima V. Farber

Re: Scholarship Request from  
Montclair State College

Attached is a copy of Marilyn Frankenthaler's letter of October 17, 1983 to me requesting that the HBA award a scholarship to a disadvantaged minority Pre-Law or paralegal student at Montclair State College. Also attached are copies of several pamphlets from the college.

Since up to now the HBA has confined its scholarship award to law students from the three N.J. law schools, a request to change that policy would have to be approved by our Board of Trustees. Let's discuss it at our next Board meeting.

You should know that the Garden State Bar Association and the Association of Black Women Lawyers of New Jersey have agreed to a similar request from the college.
